WRC AUGUST RACE

Saturday, August 19 - The Wichita Running Club held a Two Mile Race and a Ten Kilometer Race originating at West High School. Both races were along the Arkansas River with the Ten Kilo including a loop thru Watson Park. The temperature was about right for running and there was a light wind from the North. There were 113 participants in both races and several records were established. The races were sponsored by the Athletic Attic in the Wichita Mall. WRC would like to thank Kent for sponsoring the races.
